SEPTIC TRUCKS

FOR SALE: 2003 International diesel with a 400hp. CAT engine with 300,000 miles on it. Model 8000 septic tank truck. Very well kept up and maintained. My age is the only reason I am selling it. I am now 83 years old and can no longer run this company. I started with my Dad at 18 in 1951. This truck has it all. As you can see, the tank raises straight up in the air. The pump kicks in hydraulically. The truck is equipped with a Masport hydraulic pump. It has a 2,500-gallon lift tank. New tires were put on the tandem back wheels. Front tires are less than 1 yr. old. Truck runs and handles like brand new. Has good a/c. It is just as good as it looks. You are welcome to come and look at this unit. You will not be disappointed. Price is \$38,500. Am also including 130 ft. of new hose. You will not find a septic tank unit equipped like this on the market today. You can call me Glenn Thomas at 515-681-4551. I always answer that. Or 515-266-6258. Or you can contact me at gdgthomas@gmail.com
